Oxfordshire Library Services

Most of the libraries in Oxfordshire are now open and we would recommend that you visit your local library regularly with your child/children to encourage their love of reading. Please find below a link to a fun video all about the library:-

The video is under 5 minutes long and works best with the sound on. Find out more at:-

The Big Ask

Dame Rachel de Souza the Children's Commissioner for England is asking children all across the country what they need and want so that she can inform the government what they think and what they need to live happier lives. This information is being gathered in a survey called 'The Big Ask'. There are questions suitable for each age group and each class will be taking part over the next couple of weeks.

There is also a section of the survey for parents and this can be found by following the link

Items for Sale

We have a number of items which we no longer need in school and we would like to offer them to the community in exchange for a donation. Some of these items may be useful for local groups eg brownies, scouts etc so please spread the word. If you are interested in an item please email the school office by 9.00am on Friday 14th May with your suggested donation. The trays and bowls can be sold singularly or in groups. The highest donation will secure the item(s). Further items will be available over the forthcoming weeks.

Approximately 30 x plastic trays
1 x metal Bain Marie
2 x electric hobs (not PAT tested but working)
Approximately 15 x square plastic serving bowls
2 x electric blenders (not PAT tested but working)
Approximately 70 x small plastic dessert bowls

Please see photos on the next page.

***From all at Hailey
School, have a lovely
weekend.***
