Bug Club is an online reading scheme which provides your child with access to books suitable for their reading level with fun and educational comprehension activities for them to complete. Your child will be provided with login and password details in the next few weeks which will enable them to access online books at www.bugclub.co.uk. Books will be allocated to the children by school staff. Children will be shown how to use the website in their classes and parents are invited to attend an information session on Tuesday 25th June at 9.00am in the school hall. If you do not have access to the internet at home then please let your child's class teacher know as arrangements can be made for your child to use the website during the school day.

Health and Safety Week

We are in the process of organising lots of exciting activities as part of our Health and Safety week, week commencing 24th June. Please see our busy timetable below for more information. We are also hoping to organise for the fire service to visit to give a talk on fire safety. Class topics will also include e safety and budgeting.

Our Sports afternoon will take place on Wednesday 26th June at 1.15pm. This year we have changed the format of our sports day to encompass as many skills as possible. The afternoon will start with a song. The children will then take part in sports activities in teams moving around zones on the school field followed by individual races. Parents are welcome to come and watch their child/children for the afternoon. Siblings will be placed in the same team to make it easier for you to follow groups. Please note that for safeguarding reasons we will be unable to allow parents to come into school before 1.10pm. Awards will be presented to the teams in assembly on the Friday of that week and announced in the newsletter. There will be an award for the team with the most points as well as team awards for most supportive team etc. Achievements in the traditional races will also be recognised.

In order to cover some of the costs for our activities in Health and Safety week, we are requesting a voluntary contribution of £3.00 per child. As some of our activities will take place outside then please could you ensure your child has a waterproof coat in school that week? Please complete the tear off slip at the bottom of this letter and return it to the school office by Friday 21st June.
