

# Health and Safety Week, 24<sup>th</sup> – 28<sup>th</sup> June

We have all had a fantastic Health and Safety week and the children have taken part in lots of exciting activities which they have thoroughly enjoyed. Fortunately the weather has been reasonably kind to us and everything we had planned was able to take place. Here's what we've been up to.....

## Monday – Fire Service Visit

A crew from Witney Fire Service visited us on Monday. They demonstrated their equipment, talked about fire safety plans at home and the importance of having a working fire alarm. The children were then able to look at a fire engine which the crew had driven onto the playground.

## Tuesday – Golf Lessons

On Tuesday, Joe from Carswell Golf Club visited school to give all classes a golf lesson. The children learnt what stance to use when playing golf, how to swing, putting skills and aiming. Their challenge was to hit a golf ball into a golf umbrella. A great time was had by everyone.

## Wednesday – Healthy Schools Magic Show and Sports Afternoon

We had a busy and exciting day on Wednesday. In the morning all classes watched a magic show in the hall. The magic show had a healthy eating message and the children were taught about different food groups. Eugene performed lots of magic tricks with cards and ropes. He also introduced us to his parrot, Henry which everyone found very funny.

Wednesday afternoon was Sports afternoon and for once the sun was shining. If you came along to watch your child/children then we hope you enjoyed it as much as we did. We started with a song which the children had learnt with Mrs Crow and then moved onto the activity zones. Teams were awarded with certificates for their achievements in assembly on Friday:-

Mrs Ladenegan's Team - Most Points

Mrs Davies' Team - Best at Supporting Each Other

Ms Spedding's Team - Brilliant Team Spirit

Mrs Dempster's Team - Most Perseverance

Mrs Burling's Team - Fantastic Sporting Skills

Mrs Crow's Team - Most Organised Team

Congratulations to the following children who came first in their running races:- Ben Litt, Lara Wilson, Jamie Palfreyman, Will Fisher, Harry Weston, Joshua Lunt-Haynes, Matthew Bult, Finlay Coppard, Harry Collings, Eleanor Horn, Emily Fuller, Drew Broadwood, Lewis Evans, Jack Fisher, Betsy Hannis, Taylor Savin, Thomas Evans, Joseph Partridge, Evie Forest and Megan Rose.

Thank you very much to Sue Cook and the Sports Leaders from Wood Green School who came along to help and to the Friends for the ice lollies.

## Thursday – Bytomic Taekwondo

Christie from Bytomic Taekwondo visited us on Thursday to give Year 1 to 6 children a taster session in Taekwondo. The children learnt the discipline of taekwondo, stretching, kicking, boxing and jump kicks.

## Friday – Tennis Lessons

Ryan from Exel Tennis Academy provided tennis lessons for all of our children on Friday. Unfortunately the rain came down so some of our classes had to use the hall but everyone still had fun.

## And there's more.....

Our Year 6 children have been visited by the School Nurse this week and have also been taking part in Cycling Proficiency training. We would like to wish them luck for their test on Monday. Keep up the practise over the weekend. Thank you to Tom Dyson and Natasha Wertheim for giving up your time to help with the training.

All classes have been learning about cyber safety and done some work on money and managing a budget.

There will be lots more photos for you to look at on the school website and on a display board outside the school office. Please take a look with your children. As we're sure you will appreciate, such a fun packed week of activities incurs some costs, so if you have not done so already, please send your contributions of £3.00 per child into the school office
