Desired outcome	Chosen action / approach	What is the evidence and rationale for this choice?	How will you ensure it is implemented well?	Staff lead	When will you review implementation?
Children will have 2 hours of provision for PE weekly as indicated in their timetable	Engage sports coach Create timetable Review PE curriculum	Children appeared to enjoy the range of sports on offer and participating sporting activities during 2019 - 2020. Children will have the opportunity to take part in at least one partnership event in the school year	PE Coordinator work with Witney Partnership of Schools events to ensure participation	Taking part in school events has been very popular. These have normally been arranged by the Witney Sports coordinator. Staff felt it would be beneficial if we could take part in more of these events and so we may need to look to organising our own events and streaming or sharing results with other schools in line with COVID 19 guidance.	PE Coordinator attends WPS virtual meetings and engages in planning via email Activities to take part here on the school site and results shared with partnership. Data collected over the course of the year to ensure everyone takes part in one event.	DD/JP	Termly
Children in Upper Junior class will have the opportunity to take part in one competitive event in the school year	PE Coordinator work with Witney Partnership of Schools events to ensure participation	Representing the school has been very popular and sometimes it has not been possible to take everyone who wants to attend. Extended provision for sport will be achieved after school and at break time and lunchtime	Sports coach 4 days per week who will work across break time, lunchtime and afterschool club Teaching assistants employed with background in sport who will cover sessions at break time, lunchtime, before school and after school club Additional lunchtime cover will be included so all classes can be encouraged to be active at lunchtime	There has been varied uptake at clubs throughout the year with some provision proving more popular than others. Whilst the strategy of increasing sport participation by having activities led by lunchtime supervisors, pupil sports leaders and the sports coach is a sound one we need to look at what the offer is and adjust either through timings, days or equipment.	Timetables created to ensure these staff are deployed as required to promote sport across the school Timetables for lunchtime will be created so all classes have cover to increase sport.	DD/JP	Termly
