June Holiday Topic Homework

Dear Families,

What a busy term we have had! We've had a great time learning about minibeasts and growing. We are very proud of all the children for what they have achieved this term; they have worked very hard.

Our topic after the half term holiday is called 'Big Wide World' – we will find out about the world in which we live. We will learn about different climates and explore habitats, including their flora and fauna. We will locate the United Kingdom on a world map and compare life in the United Kingdom with life elsewhere. We will also learn about caring for the environment, both locally and beyond.

We have created a Topic Overview to give you a taste of everything we will be covering next term, including how you can help your child at home. This overview is also available on the school website.

Homework

We are continuing to focus on oracy and developing strong speaking and listening skills for our homework this term. We would like you to prepare a short speech about your favourite animal. This could include telling us why you like it, where it lives, what it eats etc. If you wanted to bring in a picture (drawn or printed) or model of your animal, then you would be most welcome.

Speeches should be prepared for the first day back – Monday 1st June.

Please encourage your child to share stories with you every day as this really helps with their language and literacy development. Reception children should also continue to read their reading books. Don't forget to use the White Rose 1 Minute Maths App to help with maths fluency too.

Please can I also remind you that now the weather is getting warmer, the children should bring a named hat to school and suncream should be applied before they come to school in the morning. We hope you have a lovely, restful holiday.

Best wishes,
The Pegasus Team
