

Pupil Premium Statement - Plan and Review 2024/2025

1. Summary information					
School	Hailey CE Primary School				
Academic Year	2024-2025	Total Pupil Premium budget	£9,220	Date of most recent Pupil Premium Review	July 2024
Total number of pupils	97 (September 2024)			Date for internal review of this strategy	July 2025

2. Current attainment		
	Pupils eligible for PP at Hailey	All pupils (national average)
% achieving expected in reading, writing and maths	Cohort size statistically insignificant	61%
% achieving expected in reading		74%
% achieving expected in writing		72%
% achieving expected in maths		73%

3. Barriers to future provision and PP attainment	
In-school barriers <i>(issues to be addressed in school, such as poor oral language skills)</i>	
A.	Government budget constraints (general school funding)
B.	Small pupil numbers (limited PP funding)
C.	Limited number of support staff

4. Desired outcomes and success criteria and review						
	Desired outcome	Chosen action/approach	What is the evidence/rational for this choice	Success criteria	Estimated cost/Actual cost	Review/Impact
A.	Children in the PP cohort will achieve academically as well as their peers	Intervention TA led activities inc Precision teaching, targeted individual reading, maths intervention, pre-teaching and post teaching, mentoring Intervention teacher led activities eg maths booster or a maths programme Maintain access to computers/ internet and online learning resources	Several intervention strategies have taken place this year including: precision teaching, targeted individual reading, maths intervention, pre-teaching and post teaching, mentoring. There has been success for many PP pupils. For one or two there has been less progress and we are exploring different intervention strategies rather than alter the emphasis on intervention.	Children in Y6/Y4/Y1 and FS will meet or exceed national averages Children in all other cohorts will achieve the expected for their year group	Estimated cost £6, 220 TA support for a range of interventions inc phonic support, maths booster, precision teach and individual reading Resourcing including subscriptions eg Literacy Gold	Children in the PP cohort have achieved as well as their peers. There were some instances where PP children did not achieve in line with their peers and these children were also on the SEND register.
B.	Children in the PP cohort will continue to experience social inclusion	Extended Schools Co-ordinator to share information with families of pupils in the PPG Support school trips and educational visits/visitors as appropriate	The extended school coordinator continues to build links with families and PP children attend most events outside of regular school hours and attend all events in school hours. Therefore, the strategy has been highly effective and so we will continue with this initiative.	All pupils will be included in all school activities including sports activities, trips, residential visits and theme weeks	Estimated cost £3,000 for extended school co-ordinator, nurture group, funding trips and visits	Social inclusion has been exceptional with all PP children attending events outside of regular school hours and all events inside of school hours.
C.	Families in the PP cohort will continue to experience social inclusion	Extended Schools Co-ordinator to share information with families of pupils in the PPG	The benefits of this initiative continue: Families in the PP cohort are extremely well supported through regular communication by the extended schools coordinator. All families have been financially supported where necessary to ensure inclusion at all school events. Therefore, the strategy has been highly effective and so we will continue with this initiative.	Families attend parent open mornings, parent/teacher consultations, pupil review meetings, attend workshops etc	Estimated cost £ included in spending above	Social inclusion has been exceptional with all families attending events hosted at the school.

Total cost £9,220
