1. Summary information					
School	Hailey CE Primary School				
Academic Year	2024-2025	Total Sport budget	£ 16,950 plus	Date of most recent Sport Review	July 2024
Total number of pupils	97 (September 2024)			Date for internal review of this strategy	July 2025

2. Current attainment
The vast majority of pupils attain at the expected standards in PE. Some pupils are exceeding. The school has had some success at school competitions. The children enjoy participating in PE and competitions. Sporting behaviour is always outstanding.

3. Barriers to future provision and attainment in PE	
In-school barriers <i>(issues to be addressed in school, such as poor oral language skills)</i>	
A.	Small staff numbers
B.	Small pupil numbers
C.	Some pupils lack resilience in PE (and other aspects of life)
D.	Reduced SLT capacity to successfully apply for grants etc
E.	Relatively new Partnership Sports Coordinator September 2023 who may need time to develop partnership events

4. Desired outcomes and success criteria and review						
	Desired outcome	Chosen action/approach	What is the evidence/rational for this choice	Success criteria	Estimated cost/Actual cost	Review/Impact
A.	Children will have 2 hours of provision for PE weekly as indicated in their timetable	Utilise sports coach for all classes. Create timetable New PE curriculum in place following review	All classes have had 2 hours of PE per week and that includes swimming in Key Stage 2 and Forest School for all pupils. The PE sessions have been led by Sports Coaches Forest School by a Forest School leader and Swimming by staff at RAF Brize. Discussions with pupils indicate a high level of enjoyment in PE lessons.	Timetables will clearly indicate how those 2 hours will be achieved.	Estimated cost £5635 (sports coaches)	The school has spent £5635 on CPD in the form of internal learning and development. Pupils receive 2 hours of high-quality sport coaching per week. Therefore, this initiative should continue.
B.	Children will have the opportunity to take part in at least one partnership event in the school year	PE Coordinator to work with Witney Partnership of Schools to ensure participation	The school has taken up as many opportunities as we can in the current calendar. Where possible we have run events for other schools in the partnership. The new Partnership lead appointed for September 2023 has provided opportunities and we are expecting more events suitable for small schools to be added to the calendar for 2024 – 2025. Children report enjoying these events and so we want to gain more access where possible.	Records kept by the sports lead will show that all children (not nursery) have taken part in at least one event (this may be on school site and shared more widely)	Estimated cost £1400	The school has spent £2200 on external activities organised by the School Games organiser network and this £1400 is part of that expenditure. Pupils have had access to a range of sporting events and competitions. Therefore, this initiative should continue.
C.	Children in KS2 classes will have the opportunity to take part in one competitive event in the school year	PE Coordinator to work with Witney Partnership of Schools to ensure participation	The school has taken up as many opportunities as we can in the current calendar. Where possible we have run events for other schools in the partnership. The new Partnership lead appointed for September 2023 has provided opportunities and we are expecting more events suitable for small schools to be added to the calendar for 2024 – 2025. Children report enjoying these events and so we want to gain more access where possible.	Records kept by the sports lead will show that all children (not nursery) have been given the opportunity to take part in at least one event (this may be on school site and shared more widely).	£800 staff cover costs	The school has spent £2200 on external activities organised by the School Games organiser network and this £800 is part of that expenditure. The PE lead has been able to organise attendance at external sporting events and organise internal sporting competitions. Therefore, this initiative should continue.
D.	Extended provision for sport will be achieved after school and at	Teaching assistants with background in sport employed as sports coaches to lead PE lessons, staff CPD	There has been a positive impact in after school and lunchtime provision. Sporting activities are on offer throughout the day and children regularly take up the offer.	Children report in pupil surveys that they enjoy break time and lunchtime.	Estimated cost £1200 (additional lunchtime supervision of 2.5hours per week) and £3520 (After school	The school has spent £4720 on school based extra-curricular opportunities.

	break time and lunchtime	and cover sessions at break time and lunchtime and after school club. Additional lunchtime cover will be included so all classes can be encouraged to be active at lunchtime			provision of 5 hours per week)	Pupils have had access to a range of sporting activities at lunchtime and as part of our regular after school club. Therefore, this initiative should continue.
E.	Sport will be used as a vehicle to enhance well-being and resilience	Forest School	Forest School has been of exceptional benefit to all pupils across the school. In this environment pupils are regularly observed taking part in adventurous outdoor activity including using a swing and hammock.	A member of staff will qualify as a Forest School practitioner to facilitate sessions. Children will participate in mental well-being activities to benefit resilience in PE	Estimated cost £1000 (Forest school training) Estimated cost £2700 - £1500 secured grants	The school has spent £1000 on external training courses. The pupils have received regular forest school sessions. Therefore, this initiative should continue. The school has spent £1200 on external coaching staff. The pupils used this resilience coaching to support them in sporting activities.
F.	Children will participate in a range of sports and competitions (intra school)	PE coordinator working with the sports coach will plan a series of 'house' challenges across the classes	New equipment has been purchased. Intra school events have taken place. This needs systematic.	School will achieve Gold sport award	Estimated cost £1000 for updating equipment	The school has spent £2200 on internal equipment and resources and this £1000 is part of that expenditure.
G.	Children in the Early Years will be active throughout the day	Early Years lead to facilitate activities to enable children to be more active	In more inclement weather children remain inside and are significantly less active throughout the day	Children will make more use of outdoor resources	Estimate cost £1200 to increase dry area and purchase engaging new equipment	The school has spent £2200 on internal equipment and resources and this £1200 is part of that expenditure.
