Easter Topic Homework

Dear Families,

As we come to the end of term, we would like to congratulate the children on their hard work and enthusiasm. We have all enjoyed learning about the history and geography of the polar regions.

Our final topic of the year is 'Maafa' where we'll learn about Africa past and present and the slave trade. We will also explore the causes and consequences of the European colonisation of Africa and the worldwide communities that make up the African diaspora. You'll find more information about the topic, and the other subjects we'll be focusing on next term, in the Topic Overview. This overview is also available on the school website.

There will be no topic homework for year six during the Easter holidays due to SATs preparation. We would like year 5 pupils to complete one piece of good quality topic homework and an ideas sheet is attached. There will be no maths, English or spelling homework over the Easter holidays. Please encourage your child to continue reading every day as this really helps with their language and literacy development. Also, don't forget the importance of looking for opportunities to consolidate maths knowledge – whether it is negotiating pocket money or screen time! Topic homework is due in the first day back to school – Monday 13th April. We will use the topic homework as part of our class display.

We wish you a happy and enjoyable Easter.

Best wishes,

The Griffin Team.
