### **Easter Holiday Topic Homework**

Dear Families,

We have had another busy term, which has included: beginning to share George's Marvellous Medicine as a class, hunting for signs of spring and continuing our learning about London.

#### School Days

Our topic after the Easter holidays is called School Days, which will teach the children about their own school and locality, both today and in the past. We will compare schooling in the Victorian era to their experiences in the present day.

I have created a Topic Overview to give you a taster of everything we will be covering next term, including how you can help your child at home. This overview is also available on the school website.

In preparation for our topic, I would like each child to create a timeline of their life, thinking about the important things that have happened and when, such as being born, starting school and moving year classes, ready to share on the first day back to school – Tuesday 22<sup>nd</sup> April.

#### English and Maths Homework

Over the Easter holidays there will be no spellings, CGP Maths or CGP Reading Comprehension set.

#### Reading Challenge

Don't forget about the reading challenge, lots of Unicorns are working their way through the challenges. If you require any guidance or new copies, please message me on Class Dojo.

#### Year 1 Phonics Screening

If your child is in Year 1, they will take part in the Phonics Screening Check in June. You may wish to encourage them to practise using their phonics over Easter using: <https://www.phonicsplay.co.uk/resources/phase/2/buried-treasure>.

We hope you have a lovely, restful holiday.

Best wishes,

Miss Purves and Mrs Faulkner
