Your child's report has been sent home today. Please look out for it in book bags. We have used a new format for reports this year which includes information on progress, effort and attainment. Your child's photograph has also been included and attendance information has also been sent home.

The children have worked hard this year and their reports reflect this.

We would like to congratulate all of those pupils who have completed their statutory assessments this term. Our Foundation Stage children have completed their curriculum, our Year 1s have taken their Year 1 phonics screening test and our Year 2s and Year 6s have completed their end of key stage statutory assessments. We are very proud of you all and we have had some fantastic results which are detailed in your reports. Well done.

Those children who are currently in Reception, Year 2 and Year 4 will all need to line up with their lunchboxes and book bags as they will need to take these to their new classrooms.

Lost Property

Our Lost Property box is looking rather full. Please can you check it for any missing belongings. The box will be emptied and any unclaimed items will be put into the Rag Bag Bin at the end of term.

Super Summer Spectacular

This year the children will be planning a pupil led afternoon of summer activities. This will take place on Friday 14th July from 3.15pm to 4.45pm on the school playing fields and will be run by the Upper Junior children supported by staff and Friends. There will be lots of children's stalls and games which will be run by the children. The cost at each stall will be between 20p and 50p. The children have been planning the event which promises to be lots of fun so your support would be much appreciated.

On the afternoon of the fayre, children should be collected from their classrooms as usual and supervised by you during the fayre. We hope you will enjoy visiting the stalls with your children.

After its success last year we will be running the "Jolly Pot" stall again this year. We have sent each child home with a plastic pint cup and ask that you and your child fill it with any small items which will fit into it eg pens, rubbers, sweets, balloons, small toys etc. You can then place a piece of wrapping paper and elastic band over the top to seal it and also decorate it if you wish. We ask that the filled pots be brought into school by the morning of 14th July. The pots will be sold on a lucky dip basis at the fayre for £1. There will only be enough for each child to buy one if everyone has made one so please do take part.

End of year disco

The Friends will be holding a disco on Friday 14th July from 6.30- 8.00pm for Reception to Year 6 pupils. Entry costs £2 and the permission slip needs to be returned to the school office by Wednesday 12th July. Items such as drinks, sweets, tattoos and glow-sticks will be available to buy, so children can bring money if they wish.

Student Support Letters

On our parent questionnaire some parents indicated that they would like more information on activities to do at home with their children. Some information from Exemplar Education has been sent home in book bags today. The school will receive software licences based on the number of questionnaires returned to the company regardless of whether you wish to use them or not.

Wanted Please

Does anyone have any top hats that we can borrow for our Oliver production on Wednesday 19th July? These would be much appreciated.

A group of our Upper Junior children attended a maths team challenge at Wood Green School on Wednesday afternoon. They all worked very hard and the event provided an excellent opportunity for them to practise their maths skills. Thank you to Mrs Bastable for accompanying the children.
