Summer Holiday Topic Homework

Dear Parents and Carers,

We had a fantastic transfer morning in Phoenix Class last week (with the current Year 2s and 3s) and we are really looking forward to working with the children from September. During the transfer morning the children discussed their hopes for next year and created 'fish' for our first classroom display.

We have already begun planning for next term and our curriculum will be full of engaging activities and challenges. Our first topic is 'Blue Abyss' – Grab your wetsuit. We're going deep into an underwater world of incredible coral and mysterious sea creatures. Are all sea creatures the same? How does pollution affect habitats? We have created a Topic Overview to give you a taster of everything we will be covering next term, including how you can help your child at home. This overview is also available on the school website.

In preparation for our topic we would like each child to complete one piece of good quality topic homework and an ideas sheet is attached. Please also encourage your child to continue reading everyday as this really helps with their language and literacy development. Any opportunities to consolidate maths knowledge would be really helpful too, for example adding up items during a shopping trip. Topic homework is due the first day back to school – Thursday 2nd September. We will use this as part of our class display.

We will write to you again in September to remind you of our routines and expectations including maths, spelling, and reading homework.

We will look forward to Mrs Davidson joining our class team from September. In the meantime, we wish you a happy, healthy and enjoyable summer holiday.

Best wishes,

Mrs Clark, Mrs Jarrett and Mrs Davidson
