## Hailey CE Primary School Home School Agreement

**Child's Name:** \_\_\_\_\_

Hailey School believes that in order to achieve our vision of providing the best starting block for children in our care, we must develop a healthy partnership with parents and pupils.

This can be done most effectively when all staff, parents and children understand their responsibilities and work together towards the same goals. We want to be recognised as the school of choice for parents in the local community. Through regular communication with the families at our school, we strive to promote close working and two-way support.

The purpose of this Home School Agreement is to outline the requirements for a productive and supportive home-school partnership. The key objectives, within the context of the school's vision and values are:

- to clarify the responsibilities of the school to its pupils and parents
- to clarify the responsibilities of parents to the school
- to set out the school's expectations of its pupil

Please read and discuss this agreement with your child, and then both sign one copy and return it to the school. If you have any questions about the agreement please contact the Head Teacher who will be happy to help you.
