June Holiday Topic Homework

Dear Families,

Despite the short term, it's been very busy; we've had a great time learning about sea explorers and rescues, the Year 2 children have been completing their SATs and we have had our two sports visits to Wood Green. We are very proud of all the children for what they have achieved this term.

Our topic after the half term holiday is called 'Beat, Band, Boogie!' – This is a music-based topic that will teach children to explore different ways to make sounds and how they can be changed. We will sing songs and learn what it means to prepare ourselves for 'performances.'

We have created a Topic Overview to give you a taster of everything we will be covering next term, including how you can help your child at home. This overview is also available on the school website.

In preparation for our topic we would like to set some topic homework to be completed over the June Holiday. Each child should complete one piece of good quality topic homework and an ideas sheet is attached. Topic homework is due in the first day back to school – Monday 6th June. We will use this as part of our class display.

Some children are busy preparing for the phonics screening in June, so please see Class Dojo for some specific homework related to that. For those not taking the phonics screening, there will be some spellings to practice and consolidate. For Maths, please use Numbots or Times Tables Rockstars as normal.

Please also try and read with and to your child everyday as this really helps with their language and literacy development. Where possible, look for opportunities to encourage writing; children could even keep a holiday diary.

We hope you have a lovely, restful holiday.

Best wishes,

Ms Griffiths and Miss Welling
