

Pupil Premium Statement - Plan and Review 2021/2022

1. Summary information					
School	Hailey CE Primary School				
Academic Year	2020-2021	Total Sport budget	£ 9690	Date of most recent Pupil Premium Review	July 2021
Total number of pupils	109 (September 2021)			Date for internal review of this strategy	July 2022

2. Current attainment		
	Pupils eligible for PP at Hailey	All pupils (national average)
% achieving expected in reading, writing and maths	Cohort size statistically insignificant	65%
% achieving expected in reading		73%
% achieving expected in writing		78%
% achieving expected in maths		79%

3. Barriers to future provision and PP attainment	
In-school barriers <i>(issues to be addressed in school, such as poor oral language skills)</i>	
A.	Government budget constraints (general school funding)
B.	Small pupil numbers (limited PP funding)
C.	Pupil access to technology to support home learning

4. Desired outcomes and success criteria and review						
	Desired outcome	Chosen action/approach	What is the evidence/rational for this choice	Success criteria	Estimated cost/Actual cost	Review/Impact
A.	Children in the PP cohort will achieve academically as well as their peers	<p>Intervention TA led activities inc Precision teaching, targeted individual reading, maths intervention, pre-teaching and post teaching, mentoring</p> <p>Intervention teacher led activities eg maths booster or a maths programme</p> <p>Maintain access to computers/ internet and online learning resources</p>	<p>Various interventions took place whilst the children were in school. There was also support offered to these pupils whilst restrictions were in place which included attending school, access to computers, login details for the programmes used in school, regular contact from staff. There were no formal assessments at the end of 2021 to measure attainment. However, in school data suggests a varied pattern amongst the cohort and this is probably due to gaps in the interventions beyond the control of the school. However, based on previous experience we should continue with a range of interventions to support this small group of learners.</p>	<p>Children in Y6/Y2 and FS will meet or exceed national averages Children in all other cohorts will achieve the expected for their year group</p>	<p>Estimated cost £6440</p> <p>TA support for a range of interventions inc,Phonic support, Maths booster Precision teach, Individual reading</p> <p>Resourcing including subscriptions</p>	
B.	Children in the PP cohort will continue to experience social inclusion	<p>Extended Schools Co-ordinator to share information with families of pupils in the PPG</p> <p>Support school trips and educational visits/visitors as appropriate</p>	<p>The extended school coordinator maintained links with families throughout the academic year. The events we were able to run were well attended. Children attended school events with 100% take up. Therefore, this information sharing strategy has been highly effective and so the decision to maintain this has been taken.</p>	<p>All pupils will be included in all school activities including sports activities, trips, residential visits and theme weeks</p>	<p>Estimated cost £3, 250 for extended school co-ordinator , nurture group, funding trips and visits</p>	
C.	Families in the PP cohort will continue to experience social inclusion	<p>Extended Schools Co-ordinator to share information with families of pupils in the PPG</p>	<p>The extended school coordinator maintained links with families throughout the academic year. The events we were able to run were well attended Families attend school events with 100% take up at parent /teacher consultations. Therefore, this information sharing strategy has been highly effective and so the decision to maintain this has been taken.</p>	<p>Families attend parent open mornings, parent/teacher consultations, pupil review meetings, attend workshops etc</p>	<p>Estimated cost £ included in spending above</p>	

Total cost £9,690
