Summer Holiday Topic Homework

Dear Families,

We enjoyed a successful transfer morning in Phoenix Class last week (with the current Year 2s and 3s) and are very much looking forward to working with the children from September. During the transfer morning, we discussed our hopes and aspirations for next year and it was wonderful to hear the children's ideas about what they would like to achieve over the next year, in school and in their personal life.

We have already begun planning for next term which will be action packed and full of surprises! We will write to you again in September to remind you of our routines and expectations including maths, spelling, and reading homework, but in the meantime we would like to set some topic homework to be completed during the summer holidays.

Our first topic is 'Scrumdiddlyumptious' – We will tuck in and enjoy a yummy journey of discovery, tasting fantastic fruits, venerable vegetables and tantalizing treats and we will be investigating which fruit is the juiciest. We have created a Topic Overview, as usual, to give you a taster of everything that we will be covering next term, including how you can help your child at home. This overview is also available on the school website.

In preparation for our topic we would like each child to complete one piece of good quality topic homework and an ideas sheet is attached. Please also encourage your child to continue reading everyday as this really helps with their language and literacy development. Also, don't forget the importance of looking for opportunities to consolidate maths knowledge – whether it is negotiating holiday spending money or computer screen time! Topic homework is due in the first day back to school – Monday 5th September. We will use this as part of our class display.

We wish you a happy, healthy and enjoyable summer holiday.

Best wishes,

Mrs Clark, Mrs Davidson and Mrs Jarrett.
