| 4. Desired outcomes and success criteria and review | | | | | | |
|---|--|---|---|---|--|---|
| | Desired outcome | Chosen action/approach | What is the evidence/rational for this choice | Success criteria | Estimated cost/Actual cost | Review/Impact |
| A. | Children will have 2 hours of provision for PE weekly as indicated in their timetable | Utilise sports coach for all classes. Create timetable Review PE curriculum | Two hours of sporting activity completed each week to add to 'fit in fifteen' initiative. This includes the return of swimming provision. The school will maintain 2 hours of PE per week and continue to include a diverse range of activities. Informal lessons observations indicate that PE is well received. This should continue next year. | Timetables will clearly indicate how those 2 hours will be achieved. | Estimated cost £5800 (sports coaches) | All classes have had 2 hours of PE per week and that includes swimming in Key Stage 2 and Forest School for all pupils. The sessions have been led by Sports Coaches. Discussions with pupils indicate a high level of enjoyment in PE lessons. Continue with this initiative |
| B. | Children will have the opportunity to take part in at least one partnership event in the school year | PE Coordinator to work with Witney Partnership of Schools to ensure participation | Partnership events such as 'Quad Kids' (athletics event) have been attended. Events organised by the Witney Sports Partnership have also included Boccia team event. This should continue next year. It has been a challenge to get all pupils out to events owing to the type of event organised by WPS, staffing and transport issues.so school should look to supplement by running their own. | Records kept by the sports lead will show that all children (not nursery) have taken part in at least one event (this may be on school site and shared more widely) | Estimated cost £1800 | The lack of PE lead for the partnership has had an impact on the number of events taking place. The school has taken up as many opportunities as we can and where possible we have run events for other schools in the partnership. Children report enjoying these events. A new Partnership lead has been appointed for September 2023 and this will provide opportunities for more events. Continue with this initiative, |
| C. | Children in KS2 classes will have the opportunity to take part in one competitive event in the school year | PE Coordinator to work with Witney Partnership of Schools to ensure participation | Competitive events were attended by pupils which were provided by the Witney Partnership of Schools, this included Quad Kids and Boccia. Competitive football fixtures took place for pupils. Pupils who attended the events were very enthusiastic and it would be good for this to be more widespread. This should continue next year. | Records kept by the sports lead will show that all children (not nursery) have been given the opportunity to take part in at least one event (this may be on school site and shared more widely). | £1000 staff cover costs | The lack of PE lead for the partnership has had an impact on the number of events taking place. The school has taken up as many opportunities as we can and where possible we have run events for other schools in the partnership. Children report enjoying these events. A new Partnership lead has been appointed for September 2023 and this will provide opportunities for more events. Continue with this initiative. |
| D. | Extended provision for sport | Teaching assistants with background in | Athletics and football events have taken place throughout each lunch time. After | Children report in pupil surveys that | Estimated cost | There has been a positive impact in after school and |

| | will be achieved after school and at break time and lunchtime | sport employed as sports coaches to lead PE lessons, staff CPD and cover sessions at break time and lunchtime and after school club. Additional lunchtime cover will be included so all classes can be encouraged to be active at lunchtime | school club has been sport focused with pupils having the option to pick from a range of sporting provision that has included; badminton, short tennis, gymnastics, rounders and football within the range of other activities on offer. This will be timetabled next year so pupils with an interest in a particular sport can develop their skills. | they enjoy break time and lunchtime. | £3080 (additional lunchtime supervision) | lunchtime provision. Sporting activities are on offer throughout the day and children regularly take up the offer. Continue with this initiative. |
| E. | Sport will be used as a vehicle to enhance well-being and resilience | Forest School Personal challenge via Fit in 15 | Outdoor learning has taken place in the form of forest school (organised by trainee) and this has been an excellent addition to the curriculum. All pupils in Year 5 and 6 have engaged and experienced outdoor learning and the benefits to their personal well-being. We should continue this strategy next year as a way to ensure regular daily activity and personal resilience. | A member of staff will qualify as a Forest School practitioner to facilitate sessions. Children will participate in fit in 15 and their personal success and personal challenge target will support resilience. | Estimated cost £3720 | Forest School and been of exceptional benefit to all pupils across the school. In this environment pupils are regularly observed taking part in adventurous outdoor activity including using a swing and hammock. Continue with this initiative. |
| F. | Children will participate in a range of sports and competitions (intra school) | PE coordinator working with the sports coach will plan a series of 'house' challenges across the classes | Competitions have taken place within classes where pupils have been able to compete in teams against other in their year group. The intra-competitions have been well received and children are keen to take part and try their best to win for their house. This should continue next year | School will achieve Gold sport award | Estimated cost £1500 (new equipment) | New equipment has been purchased. Some intra school events have taken place. This needs to be more systematic. |
