February Holiday Topic Homework

Dear Parents and Carers,

We have enjoyed a successful half term in Phoenix Class investigating different Predators and the children seemed to enjoy the topic especially the trip to Crocodiles of the World.

We have already begun planning for next term and we would like to set some topic homework to be completed during the half term holiday.

Our next topic is 'Tremors' – Discovering the dangerous and ferocious world of natural disasters and glimpse their savage and deadly effects. We will visit the ancient city of historic Pompeii (virtually), frozen in time, then create blistering explosions from model volcanoes that fire foamy lava. We will discover the properties of rocks shaped by the Earth's breathtaking power.

In preparation for our topic we would like each child to complete one piece of good quality topic homework and an ideas sheet is attached. Topic homework is due in the first day back to school – Monday 19th February. We will use this as part of our class display.

We wish you a happy, healthy and enjoyable holiday.

Best wishes

Mrs Clark, Mrs Jarrett and Mrs Davidson
