Easter Holiday Homework

Dear Families,

It has been another successful term for all members of Griffin Class: they have worked hard and with great enthusiasm. The children have thoroughly enjoyed our Blood Heart Topic, and we have been impressed with the quality of their topic homework, and general classwork.

We have upped the pace this year as we prepare our Year 6s for the demands of SATs and moving on to secondary school, whilst continuing to ensure our Year 5s are able to cope with the expectations of the Upper Key Stage Two curriculum.

Next term, we will not have one single topic. We will study a number of smaller projects spread over the course of the long term. These are detailed on the topic web.

There will be **no spelling homework** set for Easter. However, please note the following:

Year 5 Easter Homework

We expect each child to complete one piece of good quality topic homework; an ideas sheet is attached. Please also encourage your child to continue reading everyday as this really helps with their language and literacy development.

Year 6 Easter Homework

Due to SATs preparation, topic homework for Year 6s is **optional**. We will be sending home some practice papers for mathematics and SPAG that we would like everyone to complete.

All homework is due in on the first day back in school – Monday 15th April, we will then incorporate this as part of our topic display in class.

We hope you have an enjoyable Easter holiday.

Best wishes,

The Griffin Team
